

You teach me Exodus!

What sets the Egyptians against the Hebrews?

Egyptians have forgotten about Joseph

Too many Hebrews!

What was plan #1 to wipe out the Jews?

Kill every male child at birth

What was plan #2?

Kill every male child after birth

What is the first thing Moses's mother tries to save him?

Hides him until he's 3 months old

What does she do then?

Puts him in the river in a reed basket

Who finds the basket?

Pharaoh's daughter

What does she do?

Adopts him as her own child, and gives him to his mother to raise.

Why does Moses run away?

Because he killed an Egyptian who was fighting a Hebrew, and people know it.

Where does he go, and whom does he meet there?

He goes to a well near Mt. Sinai, where he meets his wife-to-be.

How does God appear to Moses on Mt Sinai?

As a bush that is on fire but not consumed.

Time-out

We need to read all (or most of) Moses's conversation with God.

Lessons:

God's Name is I AM, but Jews never say it, out of reverence.

When God calls you to do something, He will make it possible for you to do it.

When you argue with God, you lose.

What happens when Moses and Aaron tell Pharaoh to “let my people go”?

He makes them work harder

Bricks without straw

How do Moses and Aaron try to convince Pharaoh to listen?

Battle between them and Egyptian magicians.

The Ten Plagues of Egypt

The more you know of this list, the better--
and you *must* know the last one.

Rivers to blood	Frogs
Gnats	Wild animals
Disease	Boils
Hail	Locusts
Darkness	Firstborn
